

# A.I. INTEGRATED AUTO ADAPTABLE CONTROLLER

- Over & Under voltage variable protection 100v to 240v AC
- Automatic start/stop function
- Can handle up to 30A spikes
- Up to 2.2 kw pump rated
- Max head 100m
- Max Pressure 10 Bar
- Sucking water protection: 200 s
- Water shortage protection: 200 s
- Automatic adaption to different floor levels max 10 floors
- Reduction In water hammer

No Water  
Protection

Artificial  
Intelligence

Auto Pressure  
Control

Plug and Play  
Connector

Variable Voltage  
Protection
